We have been studying the painting style Pointillism over the last few weeks.

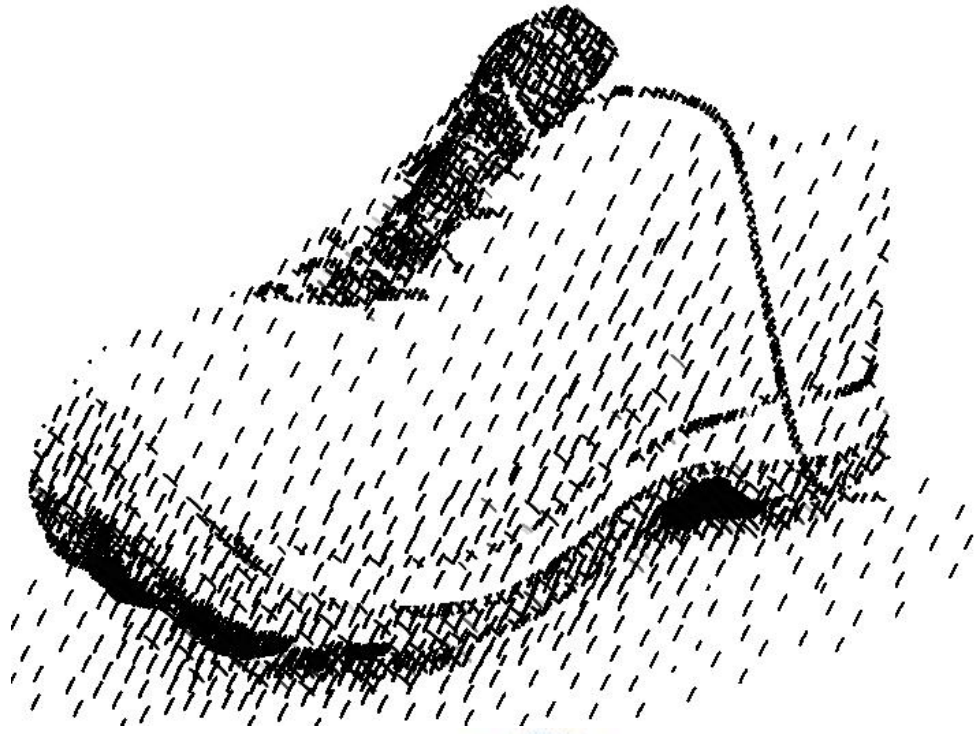

**What is Pointillism?** It is a technique of painting in which small, distinct dots of pure color are applied in patterns to form an image.

### Your task:

1. You can use any art material, pencils, markers, paint or pastels.
2. Draw any shoe in your closet, draw as big as you can, covering your whole page!
3. You must complete your drawing in Pointillist style.

A prize will be given to the best attempt.
