

CAREERS STATUTORY GUIDANCE

Belmont Park School is committed to providing a planned programme of careers education for all our students in years

We are also committed to providing access to impartial and independent careers advice via the National Careers Service telephone helpline and 'Inspire' who provide a range of programmes which support young people to develop the personal and employability skills they need to access and succeed in the world of work.

Impartial careers information and advice is also so available through our programme of:

ENTITLEMENT

All students are entitled to careers education and guidance that meets professional standards of practice and is person-centred, impartial and confidential.

Belmont Park School Career Programme

PROVIDER ACCESS

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

VISITING SPEAKERS

Speakers are invited from our wider community to give talks to enrich our pupils' experience of school, providing them with information that helps them make decisions at different phases of their education, widening their understanding of world and global issues and providing motivational inspiration through the sharing of a speaker's experience.

Our responsibility to our students is to ensure that they can critically assess the information they receive as to its value

to themselves, and that the information is aligned to the ethos and values of the School and British Values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

CAREER RELATED ACTIVITIES

Pupils at Belmont Park School are given the opportunity to take part in a range of career related activities including attending Work Experience placements, Careers Fairs, College visits, Taster sessions at colleges and partaking in on-site practical workshop activities.
