

Belmont Park School is in partnership with Inspire as our Work Experience provider.

Inspire highlight that placements offer:

- A 'taster' for the job and help to boost confidence and provide a real learning opportunity
- Hands on experience that can help get a foot in the job market
- A chance to experience working in a new field if pupils are thinking about that industry as a career.

Year 11 Pupils attend work experience placement once a week across the autumn term.

Pupils this academic year 2022/23 were placed in work related areas such as:

- Banking
- Car Mechanics
- Pharmacists
- Hair Salons
- Stables
- Shop Assistants

The pupils contact the employer directly before placement start date to arrange interview.

The days and times were discussed, The times pupils attend placement is generally between 10am – 2pm.

The pupils meet with a colleague from Inspire once their placements have concluded and engage in celebratory sessions alongside workshops centred around how they found the experience of work related learning.
